15 **WHEREAS**, the Village of Biscayne Park (hereinafter the "Village") was developed in
16 the 1920s and incorporated as its own municipality in 1931 with its thoroughfares constructed
17 predominantly at higher elevations than the Village, creating an inverted concaved effect for
18 water to collect with no means of discharging; and
19

20 **WHEREAS**, as the Village grew, the stormwater runoff increased as much of the
21 Village was developed without an adequate infrastructure to remove and treat stormwater
22 runoff; and
23

24 **WHEREAS**, with no positive outfall, the Village relies on percolation and evaporation
25 and, as a result, much of the Village experiences flooding after even minor storm events; and
26

27 **WHEREAS**, in order to address these issues, the Village has identified the need to
28 develop a comprehensive Stormwater Master Plan (SWMP) which will inventory, evaluate and
29 recommend future improvements to the Village's stormwater management system
30 infrastructure and serve as a tool to decrease stormwater runoff, increase water quality and
31 reduce flooding in flood prone areas; and
32

33 **WHEREAS**, additionally, the SWMP will provide construction cost estimates and
34 priorities for developing a comprehensive phased program and will also assist the Village for
35 future regulatory compliance of the Clean Water Act and the National Pollutant Discharge
36 Elimination System (NPDES) Program for Non-Point Source Discharge Compliance; and

42 State of Florida Department of Environmental Protection; and
43

44 **WHEREAS**, the Village has received and approved the proposed Agreement, attached hereto
45 and incorporated herein as Exhibit "1"; and

46 **WHEREAS**, the Village Commission finds it to be in the best interests of its citizens to
47 authorize the appropriate Village officials to execute the Agreement between the Village and the State
48 of Florida Department of Environmental Protection;

1 **NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COMMISSION**
2 **OF THE VILLAGE OF BISCAYNE PARK, FLORIDA:**

3 **Section 1:** That the foregoing "Whereas" clauses are true and correct and hereby

5 **Section 2.** That the appropriate Village officials are hereby authorized to execute
6 the \$150,000 grant agreement between the Village of Biscayne Park and the State of Florida
7 Department of Environmental Protection, attached hereto and incorporated herein as Exhibit

DEP AGREEMENT NO. S0867

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESTORATION ASSISTANCE
GRANT AGREEMENT
PURSUANT TO LINE ITEM 1662A OF THE FY15-16 GENERAL APPROPRIATIONS ACT

THIS AGREEMENT is entered into between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the VILLAGE OF BISCAYNE PARK, whose address is 640 Northeast 114 Street, Biscayne Park, Florida 33161 (hereinafter referred to as "Grantee"), a local government, to provide financial assistance for the Village of Biscayne Park Stormwater Master Plan. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. **TERMS OF AGREEMENT:**

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

2. **PERIOD OF AGREEMENT:**

This Agreement shall begin upon execution by both parties and shall remain in effect until December 31, 2016, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2015 through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. **FUNDING/CONSIDERATION/INVOICING:**

- A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$150,000. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.
- B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement. Changes to approved budget categories within a single deliverable that are less than 10% of the total approved deliverable budget amount will require a formal Change Order to the Agreement. Changes that are 10% or greater of the total approved deliverable budget amount, or changes that transfer funds from one deliverable to another deliverable, or changes that increase or decrease the project's total funding amount will require a formal Amendment to the Agreement.
- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B, Payment Request Summary Form**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for

amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

- D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable:

- i. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. For fixed-price (vendor) subcontracts, the following provisions shall apply:

- a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.
- b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.
- c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

- E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.

- F. i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
- ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
- iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

4. **ANNUAL APPROPRIATION:**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. **REPORTS:**

- A. The Grantee shall utilize **Attachment D, Progress Report Form**, to describe the work performed during the reporting period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Quarterly reports shall be submitted to the Department's Grant Manager no later than twenty (20) calendar days following the completion of the quarterly reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.
- B. As stated in the letter dated July 17, 2015, from the Office of the Governor, the Grantee will identify the return on investment for this project and provide quarterly updates to the Governor's Office of Policy and Budget.

6. **RETAINAGE:**

Retainage is not required under this Agreement.

7. **INDEMNIFICATION:**

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. **DEFAULT/TERMINATION/FORCE MAJEURE:**

- A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- C. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the Department for unlawful refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes (F.S.), and Section 24(a), Article I, Florida Constitution.
- D. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. **REMEDIES/FINANCIAL CONSEQUENCES:**

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within

the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

10. RECORD KEEPING/AUDIT:

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

11. SPECIAL AUDIT REQUIREMENTS:

- A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of

Exhibit 1, the Grantee shall notify the Department's Grants Development and Review Manager at (850) 245-2361 to request a copy of the updated information.

- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section __.210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. SUBCONTRACTS:

- A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department within ten (10) calendar days after execution of the subcontract. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

13. PROHIBITED LOCAL GOVERNMENT CONSTRUCTION PREFERENCES:

- A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:
- i. The contractor's maintaining an office or place of business within a particular local jurisdiction;
 - ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
 - iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
- B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the*

solicitation document that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

14. LOBBYING PROHIBITION:

In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

15. COMPLIANCE WITH LAW:

The Grantee shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Agreement.

16. NOTICE:

All notices and written communication between the parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient.

covered by the protection afforded by the Grantee. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. 19. CONFLICT OF INTEREST:

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

20. EQUIPMENT:

Reimbursement for equipment purchases costing \$1,000 or more is not authorized under the terms and conditions of this Agreement.

21. CHANGE ORDERS:

The Department may at any time, by written Change Order, make any change in the Grant Manager information, task timelines within the current authorized Agreement period, or make changes that are less than 10% of the total approved deliverable budget (per Paragraph 3). All Change Orders are subject to the mutual agreement of both parties as evidenced in writing. Any change which causes an increase or decrease in the Agreement amount, expiration date of the Agreement, or deliverable costs that are equal to or greater

than 10% of the total approved deliverable budget (per Paragraph 3), shall require formal Amendment to this Agreement.

22. UNAUTHORIZED EMPLOYMENT:

The employment of unauthorized aliens by any Grantee/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

23. DISCRIMINATION:

- A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.
- B. An entity or affiliate who has been placed on the discriminatory vendor list pursuant to section 287.134, F.S., may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. ATTACHMENT A GRANT WORK PLAN

PROJECT TITLE: Village of Biscayne Park Stormwater Master Plan

PROJECT AUTHORITY: The Village of Biscayne Park (Grantee) received funding from the Florida Legislature in the amount of \$150,000 through Specific Appropriation Line Item No. 1662A, Fiscal Year (FY) 2015 – 2016, General Appropriations Act. The Grantee received this funding for the purpose of creating an overall Stormwater Master Plan to identify, document and evaluate the Grantee's existing stormwater management system. Monitoring and auditing guidelines, as related to the Florida Single Audit Act, are specified in the Florida Catalog of State Financial Assistance (CSFA), No. 37.039.

PROJECT LOCATION: The Project will be located in Biscayne Park, a village in Miami-Dade County, Florida.

PROJECT BACKGROUND: The Grantee was developed in the 1920s and incorporated as its own municipality in 1931. The village is bounded by the railroad on the east side, Griffin Boulevard on the west side and NE 121st Street to the north. Each of these thoroughfares was constructed predominantly at higher elevations than the village, creating an inverted concaved effect for water to collect with no means of discharging. As the village grew, the stormwater runoff increased. Much of the village was developed without an adequate infrastructure to remove and treat stormwater runoff. With no positive outfall the Grantee relies on percolation and evaporation. During peak rainfall events in summer months the limited amount of exfiltration trench that the Grantee relies on for storage is limited due to higher water tables. As a result, much of the village experiences flooding after even minor storm events.

In order to address these issues, the Grantee has identified the need to develop a comprehensive Stormwater Master Plan (SWMP). The purpose of this project is to inventory, evaluate and recommend future improvements to the Grantee's stormwater management system infrastructure, which will serve as a tool to decrease stormwater runoff, increase water quality and reduce flooding in flood prone areas. This SWMP will be designed to be used as a systematic phased approach to achieving these goals within the Grantee's budgetary constraints. Additionally, the SWMP will also assist the Grantee for future regulatory compliance of the Clean Water Act and the National Pollutant Discharge Elimination System (NPDES) Program for Non-Point Source Discharge Compliance.

PROJECT DESCRIPTION: The Grantee intends to create an overall SWMP to identify, document and evaluate the Grantee's existing stormwater management system. The plan will identify flood prone areas and evaluate the severity of the flooding problems. The SWMP will outline a systematic phased approach to achieve reduced flooding in flood prone areas, increase the quality of water discharged from the Grantee, increase the efficiency of the existing system and to identify potential, new infrastructure required to achieve these goals.

If any grant funds remain after the development of the SWMP, the Grantee will use those funds towards construction of items identified in the Master Plan. An amendment will be required to address the reallocation of funds. Such an Amendment will require a revised work plan to identify and describe in detail the tasks that the Grantee would need to complete in order to implement those recommendations.

TASKS and DELIVERABLES:

Task 1: Develop Stormwater Management Plan

Task Description: The Grantee will procure professional engineering services, in accordance with state law. The Grantee will produce a Master Plan which will inventory the Grantee's current stormwater management system infrastructure and will evaluate and recommend future improvement(s) to the system.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than once per month. The outlined Interim Deliverable(s) and/or Final Deliverable(s) must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal identify infrastructure that may be required to achieve these goals.

Deliverable 1a: An electronic copy of the draft management plan at 75% completion submitted to the Department's Grant Manager for review prior to submittal of the final management plan. A paper copy will be submitted to the Department's Grant Manager upon request.

Performance Standard: The Department's Grant Manager will review the draft management plan at 75% completion to verify that it meets specifications in the Grant Work Plan and this task description. Upon review and written acceptance of this submittal by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Deliverable 1b: An electronic copy of the final management plan. A paper copy will be submitted to the Department's Grant Manager upon request.

Performance Standard: The Department's Grant Manager will review the final management plan to verify that it meets the specifications in the Grant Work Plan and this task description. Upon review and written acceptance of the submittal by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

PROJECT TIMELINE: The tasks must be completed by the end of each task timeline and all deliverables must be received by the designated due date.

Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes.
